The name of this beer was inspired by Alexandria’s famous mystery of the veiled Female Stranger. In 1816 a young woman who had fallen ill was brought ashore from a ship at Alexandria’s port. Her husband never removed the thick veil she wore to conceal her identity. Doctors & nurses were sworn to secrecy & after two months she died in her husband’s arms. Her body was buried in a cemetery at the edge of Old Town & the identity of this veiled Female Stranger remains a mystery to this day.
